Greeting members

We are still growing. Your help is critical to keep us vibrant. Starting with this Newsletter we will be attaching the latest flyers for upcoming events. Please share them with all of your friends. Print and post if you can. This will help our outreach. We had three events in August, there will be two in September. We will be sending bonus emails from time to time between ENewsletters. We promise not to abuse the privilege but sometimes our ideas are so good they have to be shared or so important you need them ASAP!

Twins Days Open House

We had a great turnout for the Twins Day Open house. The twins came and stayed. They were all impressed with the museum and they loved the stories. Beverly and Frank Klimas, Constance Longmire, Audrey Kancler, Ken Roddie and Marti Franks and Kristen Feeman worked the room for four hours. The snacks were tasty and the drinks were cold. Everyone had a great time. Can't wait until next year.

Scholarship Winner

Congratulations to Kristen Feeman, this year's winner of The Twinsburg Historical Society Scholarship. Kristen is a freshman at Defiance college and has a major in History. She has been volunteering at the museum all summer. You may have seen her cooking hot dogs for the Old School Gala or helping to set up displays. We are so excited to help her with some of her education expenses.

Tri-C Ghost Hunters Presentation

Saturday, August 25, at 7:00PM Greg Feketik of the Tri-C Ghost Hunters will be at the Cleveland Clinic Community Room to talk about paranormal activity in and around Twinsburg. There is a great flyer included with this newsletter and it would be wonderful if you could share it with friends, family, church and business. Your reach is greater than ours.

As usual we will end the month with our Sunday Open House on August 26 from 2:00 to 5:00.

Trivia / Did You Know Answer:

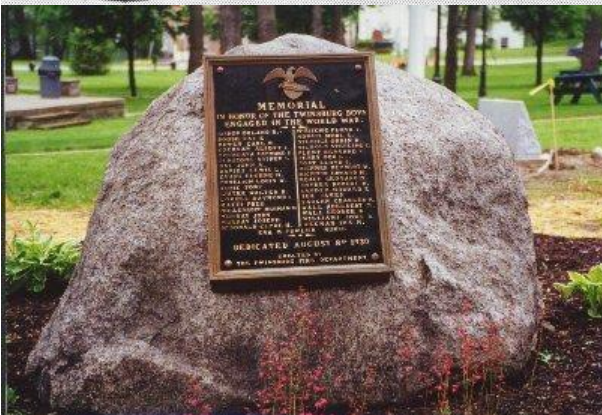

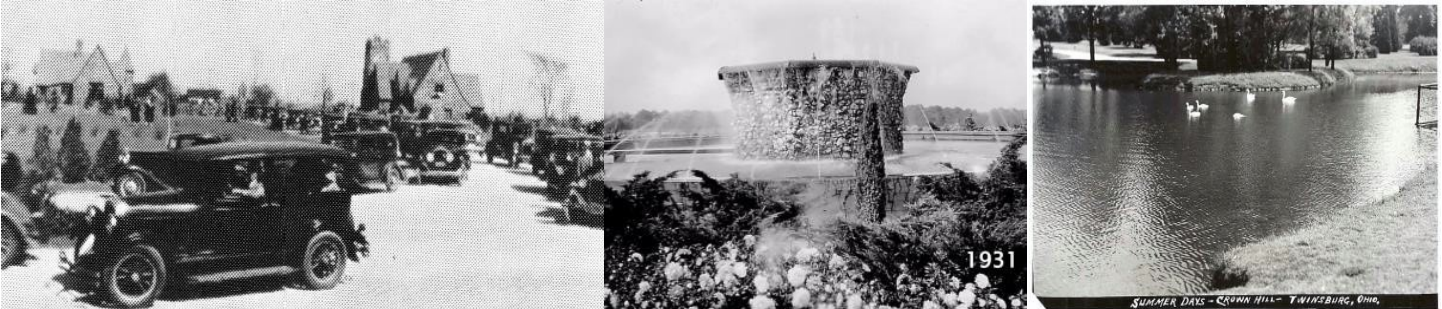

Baths consisted of a big tub filled with hot water. The man of the house had the privilege of the nice clean water, then all the other sons and men, then the women and finally the children. Last of all the babies. By then the water was so dirty you could actually lose someone in it.
