(\*1) As a special thank you for selecting this level, you will be mailed 2 Free tickets to our next Tales of Locust Grove presentation.

(\*2) With more and more of our members electing to have their monthly newsletter emailed to them versus receiving their newsletter by regular mail, we find ourselves in the unique position of no longer qualifying for the Post Office bulk rate. We recognize that not every member has access to email and that is fine but, if you do, please consider the electronic option. By doing so we will keep our operating cost to a minimum and be able to continue to provide the excellent programs and Museum upgrades that make the Twinsburg Historical Society a well respected organization.

**Please indicate if you want our Electronic Newsletter sent to your home or business instead of a mailed hard copy.**
